

UGA Conference EFT

PDS offers an **EFT** (Electronic Funds Transfer) transaction where **you initiate** an individual bank-to-bank payment transaction directly with your bank.

Before you register for the PDS UGA conference, check with your Accounting department to determine their preferred method of conference registration fee payment. They may already have EFT setup with PDS for other payment types.

If not, they may wish to consider switching to this method of processing payments with PDS. Please share the following PDS banking details:

Financial Institution: WSFS Bank

Checking Account: #0415003466

ABA/Routing: #031100102
